

Light Rail –

A, B, C, E, G & W lines to Union Station –

From the Union Station light rail stop, catch the Free Mall Ride to 16th & Market Street. Walk southwest on Market toward 15th Street. After walking through the crosswalk at the light at 15th street, our office is on the right hand side in the Denver Chamber of Commerce Building (1445 Market Street). Take the elevator to the 5th floor.

D, F & H lines to California Station –

From the 16th & California Station, catch the Free Mall Ride on the corner of every block on 16th Street. Take the Free Mall Ride to 16th & Market Street. Walk southwest on Market toward 15th Street. After walking through the crosswalk at the light at 15th street, our office is on the right hand side in the Denver Chamber of Commerce Building (1445 Market Street). Take the elevator to the 5th floor.

Parking

Should you prefer to drive to our office, there are multiple parking options (however no parking options in our building).

- Meters – Meter parking lines both sides of Market Street and the surrounding areas. The maximum amount of time a vehicle can be parked at a meter is 2 hours (which is the typical length of our class) after which point the vehicle must be moved to another space at least 100 feet away. (“Feeding” the meter could incur a ticket.)
- Parking Lots – There are parking lots on the right side and left sides of Market Street immediately after crossing through the light at Speer.
 - On the right (on Market, just after Speer) – SP+ Parking (\$19/day)*
 - On the left (on Market & 14th Ct.) – SP+ Parking (\$15/day)*
 - On the left (corner of Market & 14th Street) – (\$15/day)*
- Parking Garage – is located on the right side of Market between 14th and 15th Streets (directly across from our office building). I believe the current rate is \$8/hour.*
